About Sunset Apartments

Sunset Apartments is a modern multifamily community in central Austin, Texas, comprising 120 thoughtfully designed residences across two mid-rise buildings. Completed in 2021, the property combines contemporary architecture with the warmth of an established neighborhood — walkable to South Congress, the Lady Bird Lake hike-and-bike trail, and the downtown core.

Our residents include young professionals, graduate students, remote workers, and small families who value walkability, on-site amenities, and a quieter alternative to high-rise downtown living. The community is professionally managed on-site Monday through Saturday, with 24/7 emergency maintenance coverage.

Pet Conduct

Pets must be leashed or carried in all common areas. Owners are responsible for cleanup; bag stations are located at five spots around the property. Excessive barking that disturbs neighbors will result in a written notice and may, after repeated violations, lead to a requirement to rehome the pet.

- 6-month lease: \$150/month premium over the 12-month rate.

- Month-to-month (after a completed initial lease): \$250/month premium with 60 days' written notice required for any change of status.
- Lease renewal: residents are offered renewal terms 90 days before lease end. Renewal rents are subject to market adjustment.

Early Termination

Early lease termination is permitted with 60 days' written notice and payment of two months' rent as a termination fee, in addition to rent through the move-out date. Active-duty military members covered by the SCRA are exempt from these fees with proper documentation.

Community Rules

Quiet Hours

Quiet hours are 10:00 PM to 7:00 AM Sunday through Thursday and 11:00 PM to 8:00 AM Friday and Saturday. During quiet hours, noise should not be audible from neighboring units. Repeat violations may result in lease termination.

Guests & Visitors

Overnight guests are welcome for up to 14 consecutive nights and 30 cumulative nights per calendar year. Stays beyond these limits require leasing office approval and may necessitate adding the guest to the lease. Guests in amenity spaces (pool, gym, rooftop) must be accompanied by a resident.

Smoking

Sunset Apartments is a smoke-free community. Smoking — including tobacco, cannabis, and e-cigarettes — is prohibited in all units, balconies, common areas, and within 25 feet of any building entrance. Violation results in a \$250 fine for the first occurrence and is grounds for lease termination on repeat offenses.

Trash & Recycling

Trash and recycling chutes are located on every floor. Bulky items (furniture, large boxes) must be taken to the dumpsters in the parking garage; do not leave items in chute rooms or hallways. Recycling pickup is twice weekly.

Renters Insurance

All residents are required to maintain renters insurance with at least \$100,000 in liability coverage and \$25,000 in personal property coverage. Sunset Apartments must be listed as an interested party. Proof of insurance is due at lease signing and at every renewal.

Building Security

Both buildings use fob access at all exterior entrances, parking garage, amenity spaces, and elevators. Fobs are individually programmed and can be deactivated remotely if lost or stolen. Replacement fobs are \$50 each.

Common areas, parking garage, mail room, and entrances are monitored by 24/7 video surveillance. Recordings are retained for 30 days per industry standard. Surveillance footage is released only in response to law enforcement requests or legal proceedings.

Package management is handled through Luxer One smart lockers in both buildings. Residents receive a notification with a one-time code when a package arrives. Packages are held for seven days; oversized items are kept at the leasing office.

Move-Out Procedures

Notice to vacate must be submitted in writing at least 60 days before the intended move-out date, even at the end of a fixed-term lease. Notice can be submitted through the resident portal or by certified mail.

Move-Out Inspection

A move-out inspection is scheduled within 48 hours of vacancy. Residents may be present (recommended) or not. The inspection identifies any damage beyond ordinary wear and tear; charges are itemized and deducted from the security deposit. The remaining deposit (if any) is returned within 30 days as required by Texas Property Code.

Cleaning Expectations

Units must be returned in broom-clean condition: appliances cleaned interior and exterior, bathrooms scrubbed, floors vacuumed and mopped, all personal items removed. Professional cleaning is not required but is strongly recommended; the leasing office can recommend cleaners (\$150 to \$250 typical).

Trash, furniture, and any remaining items left in the unit will be removed by management and billed at \$75 per hour plus disposal fees, deducted from the security deposit.

Frequently Asked Questions

These are the questions our leasing team and resident services receive most often. If your question is not answered here, please reach out to the leasing office or check the resident portal knowledge base.

Q: Do you offer short-term or furnished rentals?

A: We do not offer fully furnished units. The shortest lease term is 6 months (at a \$150/month premium). Furniture rental can be arranged through third-party services; ask the leasing office for recommended providers.

Q: Are utilities included in the rent?

A: Water, trash, and high-speed internet (1 Gbps fiber) are included. Electricity and gas are billed separately by the resident's chosen provider; estimated monthly cost ranges from \$40 to \$120 depending on unit size and season.

Q: Can I have a roommate? How does that work for the lease?

A: Yes. All adult occupants must be on the lease and pass the application process individually. Combined household income must meet the 3x rent requirement. Roommates are jointly and severally liable for the full lease.

Q: Is there storage available?

A: Limited additional storage units (4'x8') are available in the parking garage for \$50/month, subject to availability. The waiting list is typically two to four months long.

Q: Do you accept Section 8 / Housing Choice Vouchers?

A: We comply with all applicable fair housing laws. Voucher applications are processed using the same screening criteria as any other application. Specific questions about voucher acceptance and program participation should be directed to the leasing office.

Q: What's the policy on subletting and Airbnb?

A: Subletting and short-term rental of the unit (including platforms like Airbnb, Vrbo, and Furnished Finder) are strictly prohibited. Violation is grounds for immediate lease termination.

Q: Can I install fixtures, paint, or hang TVs?

A: Hanging items with standard nails or small drywall anchors is permitted. Painting requires written approval and must be returned to the original color at move-out. Wall-mounted TVs are permitted; the resident is responsible for patching and repainting any holes at move-out.

Q: How do I add a roommate or remove someone from the lease?

A: Lease modifications require leasing office approval. The new roommate must pass screening and pay a \$50 lease modification fee. Removing a roommate requires the remaining residents to re-qualify on income alone.

Q: What happens if my rent payment is late?

A: Rent is due on the 1st of the month. A 5-day grace period applies; rent received on or before the 5th is not considered late. After the 5th, a late fee of 5% of monthly rent applies. After the 10th, formal eviction proceedings may begin in accordance with Texas Property Code.

Q: Is the property on a flood plain or earthquake zone?

A: The property is not on a designated flood plain per current FEMA mapping, and central Texas is not a high seismic risk area. Residents are nonetheless encouraged to maintain renters insurance with appropriate coverage.
